About Badruka School of Management:

BSM envisions itself as a premium Business School in Hyderabad, powered by a spirit of entrepreneurship and excellence. We offer a new-age multidisciplinary curriculum to prepare future leaders to impact business and create an inclusive and sustainable society. Our curriculum integrates fundamental management courses with modules on technology, analytics, and design so that students can understand the practice of management in a digital economy. Our modules on essential workplace skills, leadership, and entrepreneurship will prepare our students for the job market.

BSM aims to create a school of global standards with an increased focus on blended learning, data, and research, along with developing the right attitude among the students to transform them into lifelong learners and team workers. BSM will be a part of the rich legacy of the Badruka Education Society, which has a reputable portfolio of higher education institutions based in Hyderabad since 1950.
